- Cord & pulley operated blinds can transform outdoor living areas at a fraction of the cost of conventional building materials.
- Perfect weather protection for cafés and restaurants.
- Custom made to order to create the perfect blinds to suit your needs.

Construction Method:

We only use premium quality PVC film. All our PVC is heat welded and has a coloured vinyl perimeter. It is available in 1mm or 0.75mm thick film.

We recommend the following formula for joins:-

Top & Bottom Roll Systems = 0.75mm or 1mm with vertical joins.

Top Roll Only = 1mm with optional horizontal joins
